§ 46.180

must travel on U.S. air carriers certificated under 49 U.S.C. 1371, to the extent that such carriers provide service, even if the foreign air carrier costs less than the American air carrier.

§ 46.150 Request for applications.

EPA generally requests fellowship applications through electronic and printed announcements or other means designed to inform potential applicants.

§ 46.155 Submission of applications.

The request for applications or program announcement will advise you how to file an application and what information you must include. You must submit applications for fellowships on EPA's "Fellowship Application" (EPA Form 5770-2) or in any other form EPA designates. EPA will provide instructions for completing the application. You must submit the original and two copies of the application unless the instructions require otherwise. Alternatively, EPA may allow you to submit applications electronically. It is also likely that EPA will require you to submit undergraduate and graduate transcripts to the office identified in the request for applications or program announcement.

§ 46.160 Evaluation of applications.

EPA will evaluate your application based on criteria identified in the request for applications or program announcement. Evaluation criteria may include:

- (a) The relevance of your proposed studies to EPA's mission.
- (b) Your potential for success, as reflected by your academic record, letters of reference, and any other available information.
- (c) The availability of EPA funds.

§ 46.165 Notification.

If EPA does not select you to receive a fellowship, we generally will notify you within 60 days after final selections are made. If you are a successful applicant, EPA will send you a fellowship agreement in accordance with § 46.170.

Subpart C—Award

§ 46.170 Fellowship agreement.

(a) The "Fellowship Agreement" (EPA Form 5770-8) is the written agreement, including amendments, between EPA and you. The fellowship agreement will state the amount of Federal funds awarded and the terms and conditions governing the fellowship.

(b) The EPA award official may approve any pre-award costs you incurred, if determined appropriate by the award official. You incur pre-award costs at your own risk (see also § 46.195).

§ 46.175 Terms and conditions.

(a) If EPA awards you a fellowship on the basis of a nomination by your current or prospective state, local or Tribal government employer, by accepting the fellowship agreement you agree to remain in the employment of the state, local, or Tribal employer for twice the period of the fellowship. If you fail to meet this obligation, EPA may, after consultation with your employer or prospective employer, require you to repay the amount of the fellowship.

(b) You must submit a copy of your transcript to the EPA project officer after the completion of each year of the fellowship, if required by the fellowship agreement. You must also submit copies of any publications and other products from the research, if required.

(c) EPA may require you to provide various performance reports under your fellowship, but we will not require reports more frequently than quarterly. At the end of the fellowship, you must submit a final report and other documentation, if required in the fellowship agreement.

§ 46.180 Acceptance of fellowship award.

You must accept your fellowship by signing and returning the EPA award form (EPA Form 5770-8) to the EPA award official within three weeks after receipt, or within an extension of time approved by the award official. If you do not sign and return the Fellowship

§ 46.185

agreement to the award official or request an extension of the acceptance time within three calendar weeks after receiving the agreement, the award official may void the agreement. EPA will not pay for costs incurred under voided agreements.

Subpart D—During the Fellowship

SOURCE: 65 FR 51433, Aug. 23, 2000, unless otherwise noted.

§ 46.185 Activation notice.

(a) Each fellowship includes a “Fellowship Activation Notice” (EPA Form 5770-7). You must complete, sign, and obtain other appropriate signatures on the Activation Notice when the program supported by the fellowship agreement begins. In certain instances, *e.g.*, if your program of study is at an EPA facility, the EPA project officer may sign as sponsor on the Activation Notice. You must submit the Activation Notice to the award official.

(b) If you do not submit the Activation Notice (EPA Form 5770-7) within 90 days after the date of the award, the award official may initiate action to terminate the fellowship agreement in accordance with § 46.210.

§ 46.190 Fellowship agreement amendments.

(a) If you need to make any of the changes listed in paragraphs (a)(1) through (3) of this section, you must notify the project officer and receive a formal amendment (EPA Form 5770-8) approving the changes. You must sign and return one copy of each amendment to the award official. If you make the change before you receive the amendment, you do so at your own risk. Changes that require formal amendments are:

- (1) A change in the amount of the fellowship;
- (2) A change in the academic institution you attend; or
- (3) A change in the duration of your fellowship.

(b) You must obtain the EPA project officer's written approval of changes in the field of study or approved research project.

(c) You do not need EPA approval of minor changes that are consistent with

40 CFR Ch. I (7–1–05 Edition)

the objective of the fellowship agreement. Minor changes do not, however, obligate EPA to provide additional funds for any costs you incur in excess of the fellowship agreement amount.

§ 46.195 Project period.

Based on the “Date Fellow Will Enter on Duty” which you enter on the Activation Notice (see § 46.185(a)), EPA will establish the project period for the fellowship. If you incur costs before the date of the fellowship award, the date on the Activation Notice must reflect that fact (see also § 46.170(b)).

§ 46.200 Payment.

EPA will not make payments under a fellowship agreement until the award official receives the signed “Fellowship Activation Notice” (EPA Form 5770-7) as required by § 46.185. Unless the fellowship provides another payment process, EPA makes payments as follows:

(a) EPA pays tuition and fees directly to the educational institution.

(b) EPA pays any stipend directly to you on a monthly or other basis approved by the project officer and included in the fellowship agreement.

(c) EPA pays any book or other expense allowance to you or to the educational institution, as specified in the fellowship agreement. If EPA pays your expense allowance to the educational institution, the institution may deduct not more than two percent of the expense allowance as a handling fee.

§ 46.205 Intangible property.

In general, if you develop intangible property under a fellowship agreement (*e.g.*, copyrighted software), EPA reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so. EPA's requirements for dealing with such intangible property are found at 40 CFR 30.36 of EPA's Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations.
